

KLAS Emerging Technology Spotlight Reports on CenterX

CUSTOMER RATED

Emerging Technology Spotlight

CenterX is the only KLAS-reviewed provider of Real-time Prescription Benefit (RTPB) and Electronic Prior Authorization (ePA)

100% of customers responded "Yes" when asked, "Would you buy again?" for both RTPB and ePA

Satisfaction results

CenterX RTPB

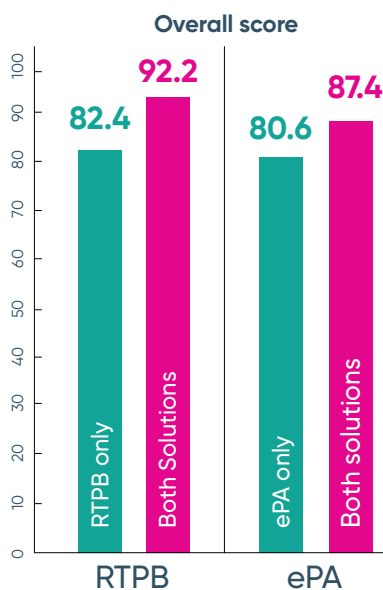

"In real time, the product is offering our providers the information they need on the cost of a patient's outpatient prescriptions and alternative therapies, pharmacies, and day supply. The information is all very good and is provided at the right point in the workflow." – Manager¹

CenterX ePA

"Our data shows that the turnaround time has decreased by a significant amount. Things used to take hours or even days to be authorized, but now we get things back within five minutes." – Vice President²

About KLAS

KLAS is a data-driven company on a mission to improve the world's healthcare by enabling provider and payer voices to be heard and counted. Working with thousands of healthcare professionals, KLAS collects insights on software, services and medical equipment to deliver reports, trending data and statistical overviews. KLAS data is accurate, honest and impartial. The research directly reflects the voice of healthcare professionals and acts as a catalyst for improving vendor performance. Even better together

When health systems implement either CenterX's RTPB or ePA, they are highly satisfied with the result. However, when health systems implement CenterX RTPB and ePA together, they are even more satisfied with both.³

"I would always tell someone to go with Real-time Prescription Benefit before Electronic Prior Authorization because it makes Electronic Prior Authorization more accurate." – VP/Other Executive
